

# Hampshire Sheen

Fine Woodturner's Finish

## Product Data Sheet

Revision: 14th December 2015

<b>Product:</b>	<b>Hampshire Sheen</b>
<b>Type:</b>	A hand blended mix of danish oil, carnuaba and microcrystalline waxes
<b>Intended Use:</b>	Providing a lustrous mid-sheen to sealed (turned) wood.
<b>Features:</b>	Brings out the grain in wood and provides a hard wearing finish in a single coat application.
<b>Preparation:</b>	Surface must be clean and dry, sanded down to at least 400 grit for best results. Apply at least one coat of sanding sealer, rubbed back with 0000 wire wool once dry.
<b>Application:</b>	Apply with the lathe spinning at a medium speed. Apply a small amount on a paper towel, wiping slowly from the centre to the edge of the piece ensuring even coverage without 'lines' of product running round the piece. Rub the piece all over, getting the product into the wood. Leave to dry. Once dry, buff with a clean piece of paper towel to your desired lustre.
<b>Coats:</b>	One, but more can be added for a greater shine.
<b>Drying Time:</b>	2-10 minutes, dependant on ambient temperature.
<b>Re-Coat Time:</b>	Leave at least 10 minutes between coats.
<b>Application Temp:</b>	Between 10 and 30°
<b>Maintenance:</b>	Reapply if necessary by hand, or apply a light coat of microcrystalline wax.
<b>Compatibility:</b>	Use will all types of wood. Results may vary depending on different timbers. Do not use on products coming into contact with food or water. Whilst Hampshire Sheen is splash-resistant, it is not formulated for prolonged contact with water.
<b>Settlement:</b>	This is a hand made product so some variations in consistency may occur between batches. No settlement has been noted to date.
<b>ShelfLife/Storage:</b>	A long time. Store in a cool dry place in it's original contained with lid tightly closed. A thin crust may appear on the top of the product. This is normal and the crust is still usable in normal circumstances.
<b>HAZARDS:</b>	Flammable. Harmful: There is a danger of damage to health by prolonged exposure or inhalation. Vapors may cause drowsiness or dizziness and may cause lung damage if swallowed. Wear suitable personal protection. Read the Material Safety Data Sheet at <a href="http://www.hampshiresheen.com">www.hampshiresheen.com</a> .
<b>Clean-Up:</b>	Clean hands with recognised cleanser and warm water after use and wash contaminated clothing.
<b>Sizes:</b>	Currently 250ml and 400ml.
